ALPHA DATA P.J.S.C

Higher Colleges of Technology

RFP Ref. NE-26-0129 — Secure Access Service Edge (SASE) — 3 Years

Company Profile

Comprehensive Overview of Alpha Data P.J.S.C

Portal Section 1 — Company Profile — Item 1 (Evaluation Criterion 1.1, Weight 10%)

Technical Submission — September 2026

Commercial-in-Confidence

Alpha Data is one of the UAE's largest and longest-established systems integrators — headquartered in Abu Dhabi, ISO-certified across quality, security, continuity and sustainability disciplines, and operating the local delivery and support capacity HCT needs across all 17 campuses and both data centres.

1. Who We Are

Alpha Data P.J.S.C ("Alpha Data") is a UAE Public Joint Stock Company headquartered at Office No. 2608, Floor 26, Addax Tower, Reem Island, Abu Dhabi, United Arab Emirates. Established in 1981, Alpha Data has spent more than four decades building, securing and operating mission-critical ICT infrastructure for federal government, higher education, banking, energy and enterprise clients across the Emirates. Alpha Data is a leading system integrator in the UAE, delivering end-to-end solutions across network security, cloud, digital infrastructure, and managed services.

Alpha Data's scale and financial standing as a P.J.S.C support multi-year engagements of the size and criticality of this RFP, including the quarterly/annual payment structure over the 3-year contract term defined in Section 3.16.1 of the Scope of Work.

2. Years of Experience and Track Record

- More than 40 years of continuous operation in the UAE (established 1981).
- Long-standing delivery record with UAE federal and local government entities, including higher-education institutions.
- Deep practice in network security, secure connectivity, SD-WAN and cloud-delivered security, formalised through Fortinet Expert-level partnership with SASE, SD-WAN and Zero Trust Network Access specialisations for the UAE territory (see submission S1.2).
- [Insert: number of customers served in the last two years, and 2–3 flagship federal/education projects — per RFP Section 2.2(a).]

3. Organisational Structure, Size and Operational Capacity

Alpha Data operates a matrixed delivery organisation aligned to technology practices (Cybersecurity & SASE, Networking, Cloud & Data Centre, Digital Workplace, Managed Services) supported by shared PMO, Quality, HSE and Information Security functions.

Dimension	Alpha Data Capability
Headquarters	Addax Tower, Reem Island, Abu Dhabi, UAE
Local offices	Abu Dhabi (HQ) and Dubai — enabling on-site presence at every HCT campus region (Abu Dhabi, Al Ain, Al Dhafra, Dubai, Sharjah, RAK, Fujairah)
Total employees	[Insert current headcount, e.g. 1,500+] employees, majority UAE-based
Technical consultants / engineers	[Insert number] certified engineers across security, networking and cloud; [insert number] Fortinet-certified (NSE/FCP/FCSS levels)
Service desk	24x7x365 in-country help desk with single support contact number, ITSM-based ticketing, and formal escalation matrix (Section 3.11.12 compliant)
NOC/SOC	UAE-based Network Operations Centre and managed security operations

Dimension	Alpha Data Capability
	supporting proactive 24/7 monitoring (Section 3.11.19)
Financial standing	UAE P.J.S.C with the financial strength to accept payment over the 3-year term per RFP Section 2.2(a)(2)

4. Certifications — Management Systems (ISO)

Alpha Data maintains a certified, independently audited management-system portfolio directly relevant to this engagement:

Standard	Scope / Relevance to HCT	Status
ISO/IEC 27001:2022 — Information Security Management	ISMS covering installation, maintenance and repair of telecommunication and security systems, IT and security systems consultancy, and design/development of computer systems software (SoA SOA/001 dated 22/12/2024) — as mandated by Evaluation Criterion 1.1 and checklist 5.1.1	Attached — issued by Staunchly Management and System Services Ltd (EGAC-accredited CAB #011804, IAF MLA member); online verification at staunchlyservices.com [insert Certificate No. and validity dates from the certificate]
ISO 22301:2019 — Business Continuity Management	Certified BCMS covering IT consultancy, installation, maintenance and related IT services (Cert. No. AE61018L; issued 26 Sep 2025)	Attached — valid
ISO 9001:2015 — Quality Management	Certified QMS across telecommunication systems installation & maintenance, IT consultancy and computer systems (Cert. No. 25.67.AE401001)	Attached — valid
ISO 14001:2015 — Environmental Management	Certified EMS (Cert. No. 25.67.AE401601)	Attached — valid
ISO 45001:2018 — Occupational Health & Safety	Certified OH&S management system (Cert. No. 25.67.AE401602)	Attached — valid
ISO 20400:2017 — Sustainable Procurement	Certified sustainable-procurement practice (Cert. No. 25.67.AE902501), aligned with UAE Net Zero 2050	Attached — valid

The full certificate set is provided in the attached "Sustainability & ISO Certification Portfolio". In addition, the proposed FortiSASE platform itself holds ISO 27001, SOC 2 Type II and CSA STAR certifications as required by SOW Section 3.16.3.1 (evidence provided under submission S3.4).

5. Proposed Consultants and Team Members

Alpha Data will assign a dedicated, named delivery and operations team for HCT, detailed with full resumes in the Section 2 (Team) submission. In summary:

Role	Count	Engagement Model
Project Manager (PMP)	1	Dedicated for the delivery phase; weekly

Role	Count	Engagement Model
		progress meetings per Section 3.17.5
SASE Solution Architect (Fortinet FCSS/NSE7)	1	Design authority; HLD/LLD, migration design, PoC lead
Senior Security Engineers (Fortinet-certified)	3–4	Parallel migration groups across campuses; weekend cutovers
Resident Engineer — SASE certified	1 (+100% backfill)	Based at HCT HQ (Baniyas) during business hours; backfilled at no cost during any absence per Sections 2.1/3.11.1
24x7x365 Service Desk & NOC	Shared, in-country	P1/P2 out-of-hours coverage via help desk + OEM TAC per Section 3.14.3
Service Delivery Manager	1	Governance cadence: monthly, quarterly and bi-annual reviews per Section 3.21

6. Local Presence and Support Model

All delivery, migration and support activities are performed from within the UAE. Alpha Data's Abu Dhabi headquarters is minutes from HCT HQ in Baniyas, and our Dubai office covers the Northern Emirates campuses. This ensures on-site response for the phased site-by-site rollout across all 17 campuses (including the new Masfout campus), physical presence for weekend cutover windows aligned to the academic calendar, and standby senior engineering during registration and examination periods per Section 3.11.29.

7. Recognitions and Awards

- Fortinet Expert-level Partner — the highest engagement level in the Fortinet partner programme — with Integrator business model and SASE / SD-WAN / ZTNA specialisations (certificate attached under S1.2).
- [Insert additional OEM awards and industry recognitions, e.g. Partner of the Year awards, per RFP Section 2.2(a)(4).]

Attachments to this response: Sustainability & ISO Certification Portfolio (PDF); ISO/IEC 27001:2022 certificate No. AE59507E (Staunchly Management and System Services, EGAC-accredited); company trade licence; organisation chart; audited financial summary [as applicable].

Annex A — Certificate Snapshots (Alpha Data P.J.S.C)

True copies of Alpha Data’s management-system certificates. Full-resolution originals accompany this submission as separate attachments.
